In Love with Love

In love with love. In love with a passionate heart. In love with love. In love even when we're apart. I wondered the difference of how it could last. I heard the celebration of champagne in glass. No wonder, it's no wonder why I'm in love with love. In love with a passionate heart. In love with love. In love with the form of the art. We love through the fighting of everyday life, of glass that ge ts broken and cuts like a knife. I wonder and I wonder why I'm in love with love. In love with a passionate heart. In love with love then on with the delicate march. Heart of fire. House of fire. In love with love. In love with a passionate heart. In love with love. On fire with a passionate heart. Ablaze with reflection, our hot house is set blazing with a fla ming with a fire. It's so passionately racing with a chaser. It's so hard to keep my wits about me!
