

# Moonlight Drive

Blondie

Let's swim to the moon, uh huh  
Let's climb through the tide  
Penetrate evenin' that the  
City sleeps to hide  
Let's swim out tonight, love  
It's our turn to try  
Parked beside the ocean  
On our moonlight drive

Let's swim to the moon, uh huh  
Let's climb through the tide  
Surrender to the waiting worlds  
That lap against our side

Nothin' left to open  
And no time to decide  
We've stepped into a river  
On our moonlight drive

Let's swim to the moon  
Let's climb through the tide  
You reach your hand to hold me  
But I can't be your guide

Even that I love you  
As I watch you glide  
Falling through wet forests  
On our moonlight drive, baby  
Moonlight drive

Come on, baby, gonna take a little ride through  
Down to the ocean side  
We're gonna get real gone  
Get real high  
Goin' down down  
Get real high  
Get real gone  
Going' down down
