Oh, I don't want you to go!
Oh, please don't leave me alone!
Oh!
No, I don't want you to go!
Oh, please don't leave me alone!
Oh!

Dear Annett,
Soon I'll be with you before they know, before the show.
I'm not a whore. I dance no more. I'll be with you across the border, dearest Anastasia. I'm leaving soon.
I'm sorry too, but burn this letter. Burn my picture. They won't know I've crossed the border.
Love, Victor.

Oh, I don't want you to go!
Oh, don't leave me alone!
Oh!
