Oh, I don't want you to go!
Oh, please don't leave me alone!
Oh!
No, I don't want you to go!
Oh, please don't leave me alone!
Oh!
Dear Annett,

Soon I'll be with you before they know, before the show. I'm not a whore. I dance no more. I'll be with you across the b order, dearest Anastasia. I'm leaving soon. I'm sorry too, but burn this letter. Burn my picture. They won' t know I've crossed the border. Love, Victor.

Oh, I don't want you to go! Oh, don't leave me alone! Oh!
