

# Words in My Mouth

Blondie

I wrote this song for someone else to sing  
To see what a meeting of the minds might bring  
But we're not exactly two of a kind  
And our meeting has come to a grind

Words in my mouth  
Thoughts in my head  
Don't put your words in my mouth  
That's not what I meant

Got an appetite for seduction  
Muzzleloader and chewing gum  
We're on opposite sides of a line  
And our meeting has come to a grind

Eat your words  
Hold my tongue  
Bite and bitten  
Beat the one  
Get to the bottom and the womb will turn

Eat your words  
Hold my tongue  
Bite and bitten  
Beat the one  
Get to the bottom and the womb will turn

Words in my mouth  
Thoughts in my head  
Don't put your words in my mouth  
That's not what I meant

Words in my mouth  
Thoughts in my head  
Don't put your words in my mouth  
That's not what I meant

Words in my mouth  
Thoughts in my head  
Don't put your words in my mouth  
That's not what I meant

Words in my mouth  
Thoughts in my head  
Don't put your words in my mouth  
That's not what I meant
