

## Diet Pepsi

Blondshell

Untouched, XO  
Young lust, let's- (Ah)

My boy's a winner, he loves the game  
My lips reflect off his cross gold chain  
I like the way he's telling me  
My ass looks good in these ripped blue jeans  
My cheeks are red like cherries in the spring  
Body's a work of art you'd die to see

Untouched, XO  
Young lust, let's- (Ah)

When we drive in your car, I'm your baby (So sweet)  
Losing all my innocence in the backseat  
Say you love, say you love, say you love me (Love me)  
Losing all my innocence in the backseat

Break all the rules 'til we get caught  
Fog up the windows in the parking lot  
Summer love (Ah, ah), sexy  
Sitting on his lap, sippin' Diet Pepsi  
I write my name with lipstick on your chest  
I leave a mark so you know I'm the best

Untouched, XO (XO)  
Young lust, let's go (Ah)

When we drive in your car, I'm your baby (So sweet)  
Losing all my innocence in the backseat  
Say you love, say you love, say you love me (Love me)  
Losing all my innocence in the backseat

When we drive in your car, I'm your baby  
Losing all my innocence in the backseat  
Say you love, say you love, say you love me (Love me)  
Losing all my innocence in the backseat

When we drive in your car, I'm your baby  
Losing all my innocence in the backseat  
Say you love, say you love, say you love me
