

Disappointment

Blondshell

Disappointment you shouldn't have done
You couldn't have done
You wouldn't have done
The things you did then
And we could've been happy
What a piteous thing, a hideous thing

Was tainted by the rest
But it won't get any harder
And I hope you'll find your way again
And it won't get any higher
And it all boils down to what you did

There, there
There, there
There, there
There, there

In the night we fight, I fled you're right
It was exactly there, it was exactly there
I decided, decided, decided, decide
We threw you out
In the night we fight, I fled you're right
It was exactly there, it was exactly there
I decided, decided, decided, decided

But it won't be any harder
And I hope you'll find your way again
And it won't get any higher
But it all boils down to what you did

There, there
There, there
There, there
There, there

Disappointment
