

Veronica Mars

Blondshell

Veronica Mars
2004
I am disturbed
Gimme shelter
It's a big apartment in New York

Casey's on the can
With a towel draped over
I'm on the floor
It's pretty weird
Haven't heard of coda
Become a loner

Veronica Mars
2000 oughts
Logan's a dick
I'm learning that's hot

Gimme shelter
Gimme shelter

Ah, ah-ah-ah
