

Hate Us Cause They Ain't Us

Blood Command

Can't keep us down
You just want our crown
Can't keep us down

You're so overly zealous
More scared than you would tell us
No wonder that they hate us
Just jealous cause they ain't us

Down!

You just want our crown
Can't keep us down
Down!
Down!
Down!
Down!
Down!
Down!
Down!
Down!
Can't keep us down
Can't keep us out of here
