

Bow Down Bitches Part 2

A bunch of spinless suckers
You bunch of motherfuckers
You try to sell me downers
But I'm only doing uppers

You waste of space
You foul disgrace
Your eyes are on the first prize but I'll win this race

Stop testing my temptation
There's no negotiation
You should step back in line cause I'm the first of God's creations
You're just another face
What I am you can't erase
Sit down roll over boy!
