

All the Rage!

Blood On The Dance Floor

Like like like a trend
You'll just just fade away
Your name name name and face
Is just so yesterday
I'm cut cut cutting edge
Sharpest of the blades
Slice slice slice you up
I am all the rage
Like like like a trend
You'll just just fade away
Your name name name and face
Is just so yesterday
I'm cut cut cutting edge
Sharpest of the blades
Slice slice slice you up
I am all the rage
Knock Knock I'm on the top
No no you'll never stop
Trash talk will start to fade
You're just so yesterday
When I take my mic
Welcome to my life
My own little pain
Is your self gain
I will pour it out
I will shout it out
When I jump on stage
I will break your chains
You're you're you're played out
Scene is fucking dead
We've we've seen it all
The legend in your head
I'm the latest upgrade
Watch your beauty fade
Cut cut cut you up
I am all the rage
You're you're you're played out
Scene is fucking dead
We've we've seen it all
The legend in your head
I'm the latest upgrade
Watch your beauty fade
Cut cut cut you up
I am all the rage

Baby I'm all the rage
Better get out my way
Before I start to break
And rebel to your hate
When I take my mic
Welcome to my life
My own little pain
Is your self gain
I will pour it out
I will shout it out
When I jump on stage
I will break your chains

I'm pounding away
Just like them ocean waves
I'm pounding away
Just like them 808s
I'll be there for you
No matter what you go through
I'll be there for you
No matter what you go through
When I take my mic
Welcome to my life
My own little pain
Is your self gain
I will pour it out
I will shout it out
When I jump on stage
I will break your chains
Baby I'm the rage
I'll break open your cage
Baby I'm the rage
I'll Break open your cage
Without your love I'm incomplete
With all my fury
Every inch of pain
This violent anger
Tearing us away
Hate Destruction Human Consumption
Creates division blinded in vision
Raging like the wave
Crashing to its place
Such violent delights have violent ends
So furiously
My insanity
Trapped in vanity scrounged in desire
Rage is like a fire
