

Anthem for the Weekend

Blood On The Dance Floor

Hello motherfuckers

Savage level 420

Just puff the magic dragon

Last of the rock stars!
Like the headless horseman
Racking up the heads
Gettin brain
Party like were the living dead
Smash my face in Tayz
High off the dank I'm little
One more shot before I fall
I'm Mary Poppins ya'll

Shut it down
Tear it up
Party like we don't give a whaaa?
Shut it down

We do what we want!
We keep it saucy!
All yo eyez on us
We so damn flossy
And we just wanna party
Say fuck it to all our problems
Live everyday like the weekend
Having fun gettin high with my best friends
