

My Last Breathe

Blood On The Dance Floor

You must be a witch for you bewitched me
What sorcery is this? Forever haunts me
With this hand I will remove your curses
With this ring I will unveil your blessings

I will haunt at your side now and forever
If I could turn back the hands of time I'd love you longer
If I had to choose between loving you and breathing
I'd use my last breath to tell you I love you

You must be a sorceress, you enchant me
What witchery is this? You possessed me
With this glass of wine I'll fill your cup with pleasure
Black sails into the sunset, you're my treasure

I will haunt at your side now and forever
If I could turn back the hands of time I'd love you longer
If I had to choose between loving you and breathing
I'd use my last breath to tell you I love you

I will haunt at your side now and forever
If I could turn back the hands of time I'd love you longer
If I had to choose between loving you and breathing
I'd use my last breath to tell you I love you
