

Pure F***n' Evil

Blood On The Dance Floor

I am filth
I'm volatile
Full of rage
So fucking vile
We're the ones your parents hate
Fuck the rules and fuck their faith
Don't want salvation,
I can't be saved.
We're the damned, and you're to blame.
We'll burn the church, knock down the steeple.
All your good succumbs to evil.
No suicide,
I stay alive.
Just to piss you off
Your god hates me,
So fuck him too
I'll piss upon his cross.
Live live live
Til you put it in reverse
Get it right,
Or pay the price
This ain't a fucking curse
Evil evil evil
As twisted as can be
You'll never find
A motherfucker
Quite as bad as me
Dirty love,
Filthy whore
Keep me cumming,
Give me more
Doused in blood
Painted black
Bitch just stay down
On your back
Raised on sin
I'm not a saint
All your dreams
I'll kindly taint
Hit the spot
Make you wet
Leave you begging
For this sex
No morals here
No limits on
My plans to violate
Get on your knees
And beg me please
To desecrate your face
Live live live
Til you put it in reverse
Get it right,
Or pay the price
This ain't a fucking curse
Evil evil evil
As twisted as can be
You'll never find

A motherfucker
Quite as bad as me
I feel my fire,
Growing old,
This warmth inside me,
Has turned cold
I disappear
And self-destruct
I guess this time
I'm out of luck
[x2]
Live live live
Til you put it in reverse
Get it right,
Or pay the price
This ain't a fucking curse
Evil evil evil
As twisted as can be
You'll never find
A motherfucker
Quite as bad as me
