

Safe Word (New)

Blood On The Dance Floor

They all want to know how I do it
You know the rules
But there's much more to it
You might have heard that I like it kind of rough
But sometimes it becomes too much
Just call...
Just call out the Safe Word
When you think you've had enough
If you're feeling like it's too much, baby
Call out the Safe Word
Silence your mind, speak with your body
Let it be heard
If my love's too much call out the Safe Word
Let me know
Consume my lust, never using the Safe Word
I'll follow where you go
You think you've got it all
But there's more to see
It feels unbearable to see the words you mean
You might have heard that I like it kind of rough
But sometimes it becomes too much
Just call...
Just call out the Safe Word
When you think you've had enough
If you're feeling like it's too much, baby
Call out the Safe Word
Silence your mind, speak with your body
Let it be heard
If my love's too much call out the Safe Word
Let me know
Consume my lust, never using the Safe Word
I'll follow where you go
You might have heard that I like it kind of rough
Just call out when you think you've had enough
If you've had too much, call out the Safe Word
Consume my lust, never using the Safe Word
If you've had too much, call out the Safe Word
Consume my lust, never using the Safe Word
If you're feeling like it's too much, baby
Call out the Safe Word
Silence your mind, speak with your body
Let it be heard
If my love's too much call out the Safe Word
Let me know
Consume my lust, never using the Safe Word
I'll follow where you go
