Slash Gash Terror Crew Anthem!

Blood On The Dance Floor

You've changed things...
Forever
See...you're a freak...
Like me!
Bend over (Slash Gash!)
Shake those titties
Pull over
Hello Kitty (Slash Gash!)
Back it up like a U-Haul truck
Sock it to me
Rub my junk (Slash Gash!)
I get on the mic
I say what I like
Danger, danger
On the spot (Slash Gash!)
Ten Four Houston
We have problems
I don't think
We can't solve them (Slash Gash!)
Bend over
