

Sorry Not Sorry

Blood On The Dance Floor

Back and forth
Tired of this game of tug of war
I don't wanna play anymore
I took a chance
Fell harder than my heart could ever stand
Was it worth it all?
We vowed our love everyday
And watched it turn slowly to hate
There's no apologies coming from my way

No apologies I'm not sorry
It wasn't meant to be
Move on without me.
Curtains close, end of show,
There's nothing more to see
No apologies I'm not sorry
Was it meant to be?
Move on without me.
Curtains close, end of show,
There's nothing more to see

And I try just to fall harder every time
That's the way it goes,
And I find when I'm not searching for what I left behind
Gotta let it go.
We vowed our love everyday
And watched it turn slowly to hate
There's no apologies coming from my way

No apologies I'm not sorry
It wasn't meant to be
Move on without me.
Curtains close, end of show,
There's nothing more to see
No apologies I'm not sorry
Was it meant to be?
Move on without me.
Curtains close, end of show,
There's nothing more to see

Whatever path you're not taking is the one I'm gonna choose.
Whatever heart I'm just breaking fall apart.
Goodbye to you

It's like I'm sorry but I know it ain't the truth
Struggling to stay with you through all the emotional abuse
I said I'd stay till the end but I couldn't see it through
I tried to pretend I never thought I'd meet someone as crazy as you
Well I was wrong and now you're gone
So let my freedom start here without you
We gotta go our separate ways
Before we cause any pain
I'll choose whatever path you don't take.

Sorry
Not
Sorry

No apologies I'm not sorry
It wasn't meant to be
Move on without me.
Curtains close, end of show,
There's nothing more to see
No apologies I'm not sorry
Was it meant to be?
Move on without me.
Curtains close, end of show,
There's nothing more to see
