

## The Departing

### Blood On The Dance Floor

My love for you is like a sunshine in the rain  
When we met you took away my pain  
You brought me back to life, with nothing to gain  
All my friends were weary  
Begging me to see you more clearly  
But no one wanted this union  
Nothing would keep us apart  
Not even my dying heart  
You keep coming back to me  
Saying that we are meant to be  
Maybe our love is an epic story  
One that will end in beautiful glory

I'll be there for you  
No matter what we got through  
Side by side  
We live as one forever  
...
