

I Wanna C U

Blood Orange

I see you runnin' out the window
Brain is runnin' like it's hidin' from the night
Like it's somethin', I think it (I feel real)
Brain is runnin' like it's runnin' from the night

I wanna see you
And keep it in your home
I wanna see you (Wanna see you)
And keep it in your home
I wanna see you (I wanna see you)
And keep it in your home
I wanna see you
And keep it in your home
And keep it in your home
