

# The Complete Knock

Blood Orange

If all it means  
We lost you down the stream  
(Where are you?)  
Underground, and wasting thirty-two  
I just don't know  
What the hell is wrong with you?  
Take revenge on those who are doing wrong with your life  
Wisely choose a victim driven to strife  
I just don't know what the hell is wrong with you  
With you

If all it means  
(So I lost the truth)  
We lost you down the stream. Where are you?  
(In my own mind)  
(It's scheming, kills completely)  
Underground, and wasting thirty-two  
(All I wanted was the dream of being young inside)  
I just don't know  
What the hell is wrong with you?  
(This light, I must belong to you)  
With you
