

## Arterial Lust

### Blood Red Throne

Blood spattered patterns of perpetual sin  
Traces of orgasms spat from within  
I tear you open to ecstatic display  
Sweet taste of arterial spray  
Blood frenzied perversion course through my veins  
Haemorrhage maniac driven insane  
Slit your wrists with a rusty barbed wire  
The sight of blood takes my ecstasy higher

Filthfucking deathcore, pulsecutting whore  
Tear liar slut! Arterial lust!

Depraved from dignity  
Blood dimmed clarity  
Demonic deprivation  
Sexual amputation  
I rip off my blood-soaked garments  
Portray as the ultimate tyrant  
I make you scream, I make you bleed  
Trapped little lapdog, won't help to plead

A well-placed incision to see  
Underneath red vessels are whole  
My lust and desire squirting at me  
I smear myself with warm life liquid  
Plant my seeds of sickened hybrid  
Disemboweled lifeless beauty  
My fantasies, your duty
