

Iconic lies  
Creates death in your eyes  
Masses in fear  
Terror on the name of a God

World is in a choke hold  
Madness in what we are told  
Desperation comes to those who  
Knows no mercy

Forcing the weak  
To sacrifice all  
It's an act to repent  
Unfulfilled power through obliviousness

World is in a choke hold  
Madness in what we are told  
Desperation comes to those who  
Knows no mercy

Follow the leader  
Follow the lie  
Illusions of evil  
The immortal must die

God must die  
For us to survive  
Satan is real  
And most definitely alive

Instructed insanity  
World has gone insane  
Religion is warfare  
Religion is pain

Follow the leader  
Follow the lie  
Illusions of evil  
The immortal must die
