

## Bless the Unholy

**Bloodbound**

The devils heldhound scenting you he's on his way  
He's gonna hunt you like a prey  
You better run before the light will turn to dark  
Cause soon you'll hear his evil bark  
Before the lightning strikes you  
The demon will fall  
Bless the unholy  
You can feel life is slipping away  
Bless the unholy  
Close your eyes at the end of the day  
Time to pray  
The heaven sent cannot protect you from the beast  
He's not an exorcist or priest  
Condemned in darkness with the sentence on it's way  
The day of reckoning now pray  
Before the lightning strikes you  
The demon will call  
Bless the unholy  
You can feel life is slipping away  
Bless the unholy  
Close your eyes at the end of the day  
Bless the unholy  
You can feel life is slipping away  
Bless the unholy  
Close your eyes at the end of the day  
Time to pray
