Ice cold and sanitized Take hold and realize Time passes gently If I am by your side Doctored intelligence Sheer luck or providence Prudence, be silent now Well I'll be damned I'm in high demand Care to be a hero? Part of high command? Sweet dreams of madness Oh-no Cydonia Letting the inside out Sweet dreams of madness share Life at the Parthenon Lady of Athens Letting the inside out I sense this senselessness Counting the countless Doctoring restlessness Until I own your heart Life holds the answer I can and shall provide Real life experience Come time to play your part Well I'll be damned I'm in high demand Care to be a hero? Part of high command? Sweet dreams of madness Oh-no! Cydonia Letting the inside out Sweet dreams of madness Life at the Parthenon Lady of Athens Letting the inside outside Inside out Play this well See what you're dealt Ain't what you've got You should know by now One step out of line with me Gets you a one way ticket on the Ferris wheel Knowing who you are Seeing what you were Not becoming what you wanna be
