

## Run Away

Bloodgood

Run Away

Hear her calling, voice so soothing,  
Bed of linen, silk and lace  
Her door's open, speaking louder,  
Hear her crying, drink deep of love  
Run Away (from the spider's web)  
Run Away (you soon will be dead)  
Run Away (the wise men said)  
Run away and hide  
Run Away (from where she lays)  
Run Away (she's an open grave)  
Run Away (the wise men say)  
Run away and hide  
Hear her calling (haughty eyes)  
Voice so soothing (lying tongue)  
Bed of linen, silk and lace  
Her door's open (brazen face)  
Speaking louder (pierce your soul)  
Hear her crying, drink deep of love  
(Chorus)  
I shouldn't be here  
Oh God, help me  
Give me strength to leave this place  
What was I thinking?  
I know this is wrong  
Run Away (from the spider's web)  
Run Away (you soon will be dead)  
Run Away (the wise men said)  
Run away and hide  
Run Away (from where she lays)  
Run Away (she's an open grave)  
Run Away (the wise men said)  
Run away, run away and hide  
Run away!
