Dog will hunt I'm the front end loader travoltin' over so try my slam on for size

Drive stick with that kung-

fu grip let the banana split and watch it go right to your thighs

Cop a feel Copperfield style abracadabra that bra do you think i can pull it off?

Wanna bang around? just jot me down on your to-do list under "put out like a fire" 'cause

I got somethin' and it goes thumpin' like this

All you need is my uhn tiss uhn tiss uhn tiss

Edible strange how do i get in your pants when you're tick tockin' them

Serious levis? so tight can't be classified that's why I'm here to fill that opening

Make a seasoned pass to mount that ass and bob hope that i might one night stand a chance

Let's go feng shui the fuck around my digs like a superball bring that sunny side up and

I got somethin' and it goes thumpin' like this

All you need is my uhn tiss uhn tiss uhn tiss
