

## Ace of Dominion

Bloodpit

He was a creative person. So fragile inside  
He was the King of himself. Invincible warrior  
Made strong to defend the weak. After all legitimate  
Everyone knew except him. He had those X-ray eyes

He really thought that love was this nasty violent game  
He thought he was the fortunate one with all the scars  
and the ball and chain  
Reception of despise. Didn't know what else it could have been  
Intact life -He never got to live that way. It went to extremes  
Then the misery filled his large vacuum

It felt so good in a dream  
But this one is very real  
And nothing wakes you up

Self-esteem began to vacillate by the evil words  
Cried like a suicide wish. Needed a shelter from her  
Once again he swallowed the words. Forever love in the name of  
chains  
Everyone knew except him. He had those X-ray eyes  
He really thought&

He was a creative person. Now dead inside  
Once known as the King of this world. Dictator ruler  
But somehow he was dethroned by a revolution  
He has these X-ray eyes and now he's watching through!!!
