

Truth (Thicker Than Water)

Bloodsimple

I wanna wake with a reason to celebrate
I wanna wake up before it's too late
I wanna hear that song on the radio
Spinning round my head like a halo

As I fade to another place
Where I dream while I'm still awake
I feel changed and I waste away
I sip this cheap champagne
It's just another day

Hey old man you used to live for the heroin
You were shooting star, leaving impressions
Now you're sittin' alone in your rocking chair
Wishing you could rocket right out of there

As I fade to another place
Where I dream while I'm still awake
I feel changed and I waste away
I sip this cheap champagne
It's just another day

It's hopeless devotion
It drags me down, it weighs a thousand pounds
I'm drowning in horrid lies
How can this be true, I have been denied
