

## Something

Bloodstone

Something in the way she moves  
Attracts me like no other lover  
Something in the way she woos me

Don't want to leave her now  
You know I believe and how

Somewhere in her smile, she knows  
That I don't need another lover  
Something in her style that shows me

I don't want to leave her now (Don't wanna leave her, know I believe her)  
You know I believe and how (Don't wanna leave her now)

You're asking me, will my love grow?  
I don't know, I don't know (I don't know, I don't know, I don't know)  
But if you stick around, now, it may show  
I don't know, I don't know

(Don't wanna leave her, know I believe her)  
(Don't wanna leave her now)

Something in the way she knows  
And all I have to do is think of her  
Something in the things she shows me

I don't want to leave her now  
You know I believe and how  
Yeah
