

Witchfinder General

Bloody Hammers

Crusader of the century
Sworn in, feared by all
Citizens, all are calling me
An elite man of the law
I'm the witchfinder general

Confess to me, you have no choice
I know you're a sorceress
Don't cry your demon tears
I can see your wicked lust
I'm your witchfinder general

Prepare execution
I prefer to see them burn
Destroy the immoral
I'm the witchfinder general
Prepare execution
I prefer to see them burn
Destroy the immoral
I'm the witchfinder general
