

# Through The Threshold, Beyond The Bend

Bloom

Stepped through the threshold  
I made it beyond the bend  
As my feet touch the ground  
I feel the worlds extend  
As the blinding light fades into colour  
I feel my reborn skin  
Everything is different now  
But there's still a hole within

Is this what I longed for?  
Why am I still wanting more?  
Why am I not satisfied?  
I gave up everything for this  
And I'm still hollow inside

Surrounded by a family  
They're strangers to me now  
Surrounded by familiar places  
But I don't know my way around  
Maybe I got it all wrong  
The scenery has changed  
Everything is better now  
But I still feel the fucking same

I think I'm not meant to be happy  
No matter how far I go

Is this what I longed for?  
Why am I still wanting more?  
Why am I not satisfied?  
I gave up everything for this  
And I'm still hollow inside

Time passes but I still stay the same  
I loathe the person I became  
Another life, another place  
What I am was not replaced  
Reflection changes everything  
And I'd like to think I've learnt from my mistakes  
But I can't go back, for here I'm trapped  
I can't change my fate

Maybe I was the problem all along  
How I saw the world  
Now I can't return  
Never took a chance to stop and smell the roses  
I'm buried beneath  
As my body decomposes  
I convinced myself nothing was right  
I wasted time  
A wasted life  
With all that I've learned it all stays the same  
Nothing I can do  
Nothing I can change

And maybe I was the problem  
It was me all along

I couldn't fix how I saw the world  
And now there's nothing I can do  
There's no way that I can return  
And I can recognise now that I should've taken a moment  
A chance to stop and smell the roses  
If I'd just taken that moment to reflect  
Maybe I wouldn't be buried beneath them  
As my body decomposes  
And I convinced myself that nothing was right  
That there was no reason for me stay  
I wasted time  
A wasted life  
And with all that I've learned  
I can say it all stays the same  
There's nothing that I can change  
I can't go back  
I can't replay  
And if I could  
Would I be happy to be alive?  
There's no way that I could know  
Maybe in another life
