

They saw him disappear into the darkness that wet night  
Mr. Scott hasn't seen him since  
It seemed to be well planned from the footage they have  
But they can't see who actually took him

Help us get him back where he belongs as the police respond  
"Won't you keep an eye out for Gary?  
He's eight foot tall with a fiberglass heart  
Also known as Gary"

I heard there's been a breakthrough, a registration plate  
His movements they were able to track  
But you see he comes from a fairly extended family  
Don't know how many brothers he has

Help us get him back where he belongs as the police respond  
'Won't you keep an eye out for Gary?  
He's eight foot tall with a fiberglass heart  
Also known as Gary"

Gary come home  
Won't you come home?  
You need to come home

Gary come home  
Won't you come home?  
You need to come home

It's been three weeks as Mr. Scott pleads  
"Don't forget about me, Gary"  
As headlines fade on the tabloid pages  
One day they'll find Gary
