We All Fall Down

Blowsight

Breakin' out – It slowly turn
I don't wanna unravel love, the way it burns
Baby, how does it feel to be my only slave?
I don't wanna seem selfish
But this ain't very easy,
Let me squeeze into one reason to be

If you break yourself to pieces
Yeah, then we all fall down
Yeah, then we all fall down
If you reinstall and reset
Yeah, then we all fall down
Yeah, then we all fall down

Diamonds in your eyes
But a little bit scary – Still I improvise
Feeling just like a fairytale where I've been banned
And I don't wanna seem selfish
But this ain't very easy
Let me squeeze into one reason to be

If you break yourself to pieces
Yeah, then we all fall down
Yeah, then we all fall down
If you reinstall and reset
Yeah, then we all fall down
Yeah, then we all fall down

You're so impossible – And so am I
We should get together for one day
But baby, I ain't got no time to play
You're something beautiful, I said
But I said so many lies
I've been to hell and back
So baby, I ain't got no time to play
In a different place, a different time
I'd give you plenty of tries
But baby, I ain't got no time to play.

If you break yourself to pieces
Yeah, then we all fall down
Yeah, then we all fall down
If you reinstall and reset
Yeah, then we all fall down
Yeah, then we all fall down
If you break yourself to pieces
Yeah, then we all fall down
Yeah, then we all fall down
If you reinstall and reset
Yeah, then we all fall down
Yeah, then we all fall down
