

Hanukkahween

BLP KOSHER

Waterr

Yo lil' [?]

(No way, Hozay)

They was playin' on my top, but they ain't know that I'm the dreidel man
Motherfuckin'

Since a jit, I been creative, I don't hang with other teens
Dollar fit and dynamite, the separate pocket in my jeans
I ain't grow up how they think, remember buckin' Kids Cuisine
They gon' talk, but I don't care, they only know from what they see (No way)
He might know some shit they don't and now there ain't no in-betweens (Yep)
When I get behind the mic, I start releasing dopamine (mm)
I'm tryna skate, I think I need her, I might pick up Josephine
I'm a Jew, but I might turn this Hanukkah to Halloween (No way, Hozay)
Say I'm a youth from out the field, woe, that shit ain't what it seem
Dreidel man gon' start to spinnin', knock the logo off a tee
You say give that boy his flowers, now the florist all he see
He keep a plant-based diet, but always lookin' for some cheese, water
I bet this Glock gon' lift a cracker up, (Grr) give that boy a raise (Ayy, a
yy)
All my shit was gettin' waterlogged from missions in the rain (Ayy)
I got a MILF who stay in Sunny Isles, I don't know her name (Yo)
She gon' point me to the motherfuckin' bread, multigrain (Ayy)
I don't like the way it feels to lack, I copped the forty thing (Oh, yeah)
Make sure the sodium is blessed if you gon' throw it on my name (On my name)
I'm inspired by Charmane 'cause everybody else is plain (Yo)
I'm inspired by Charmane 'cause everybody else is plain (Water, ayy)
Frosted Flakes (Yeah), I'm feelin' great (Uh-huh)
They say real is rare, but then they put my life at stake
And if the animal was suffered, I don't want it on my plate
Cause I don't worship other humans if they actin' inhumane
So I be puffin' on these Nazis like they fuckin' Mary Jane
And if I hit it from the back, then she might need herself a cane
They don't wanna see you change, expecting you to stay the same
I keep a gun, no recreation, I ain't never hit the range (No way, Hozay)
Got it all on my own, I ain't ask you for a fuck thing (Oh, no)
Chopper eat your gang, ASMR, no mukbang
She say she don't like these other rappers 'cause they're all the same (All
the same)
I ain't Travis, but I fuck with Scott, so bring out all the flame (All the f
lame)
No leap of faith, but I got faith in God, so I'ma take the leap
Snooze button on my handgun put you straight to sleep
They starting rumors 'bout me, 'member thinking we had chemistry
I'm all up in that bitch's mouth like I'm practicing dentistry (Yo, ayy)
Tighten down 'cause this lil' Glock could knock the gangster out your ass
I don't smoke, but I'll burn my fingerprints off every gat
They ain't tryna see me make it, they want me to fall back
Thought that I was pussy, now they takin' Epsom salt baths
Batter up, he a cookie cutter, he ain't cuttin' back (Nope)
I'm outdoors, hangin' in the tree like a fuckin' bat
I don't fish, but I keep a rod, if I go fishin', I'ma a catch a flounder, al
l them boys flat (Them boys flat)
They ain't think that I was woke, droppin' bars in my sleep talk
Roots comin' along with me, Jack and the beanstalk (Beanstalk)
We go way back, like a molar, stealin' G-locks (G-locks)
Close friend vegan, deep down, he got beef stock (No way, Hozay)
