BLP KOSHER

I had a clipped wing but I been airborne since I came out the chrysalis
Smith and Wesson in my syllabus
Trigger finger dis bih ticklish
50 ball in my pants and the book of Leviticus
At the Chanel store on the west coast my pockets ridiculous
Probably got enough money on my head I could use that to be on a buyers list
Cause I keep it P but I'm moving on silence this shit off the dome like psoriasis
I be standing on so much business I'm 'a need to see a podiatrist
And I stay near that pole I'm a carrier fuck it I'll never go wireless

I got that special K no ketamine
I'm at the club sober sipping Grenadine
Same jits hating since I was 17
I keep a drake got a lot of enemies
And I'm smoking all kind of supremacy
I don't sip Hennessy
I wiped his nose the first time they gave Ben a drill (Benadryl)
I get up in front of that Mic a lot
You Internet beef, I don't type a lot
They know Kosher I'm good in the hood, but I don't ever be on writers block
I'm a swing the stick I was once batter crack the ball I'm 'a one hatter on
my grind like Arto im not Saari im toting that metal them boys lacquer
I was with Bernstein at the Dutch pot my money Irish like buckshot
Bad bitch with a muffin top she grab on my dick like a mutton chop
Me and Jew was scamming GrubHub
I'm 'a Jew but it's one love
Still catch yo ass lackin in public come to Florida grab a pub sub

I had a clipped wing but I been airborne since I came out the chrysalis
Smith and Wesson in my syllabus
Trigger finger dis bih ticklish
50 ball in my pants and the book of Leviticus
At the Chanel store on the west coast my pockets ridiculous
Probably got enough money on my head I could use that to be on a buyers list
Cause I keep it P but I'm moving on silence this shit off the dome like psoriasis
I be standing on so much business I'm 'a need to see a podiatrist
And I stay near that pole I'm a carrier fuck it I'll never go wireless

I'm skating flat with the Glock in my hand
I flew to Cali I came with a band
Seek out the road I'm 'a shoot out the coupe that lil cooling kit on me I love all of my fans
Glock wit a dick it got gender dysphoria
They say I (eye) make them cringe but they (cornea) cornier
Took my lil dawg I'm 'a go cop a rod and get justice my name could of been Victoria
I'm seeing decimals no Dewey they thought I would drown but I swam to the buoy
I'm getting chicken like Huey Magoo's
I got a tooly that Wooly from Luey
Yo shooter gon shoot himself how much yo smacker make
Chopper spit it got a aftertaste
I'm spreading love but I'm still gon attract the hate
Fuck them boys they tried to call me a castaway
You screaming fuck the opps I told them masturbate I'm 'a go beat up the I

Everybody shot we make sure that they vaccinate we don't let nobody fly
I Cuban the dreidel she calling me jewban I took her to eat at Versailles
1 foot on my board and 1 foot in the industry if the feds hit me I still won
't comply

I had a clipped wing but I been airborne since I came out the chrysalis
Smith and Wesson in my syllabus
Trigger finger dis bih ticklish
50 ball in my pants and the book of Leviticus
At the Chanel store on the west coast my pockets ridiculous
Probably got enough money on my head I could use that to be on a buyers list
Cause I keep it P but I'm moving on silence this shit off the dome like psor
iasis
I be standing on so much business I'm 'a need to see a podiatrist
