

I brought the horse to the water it turned to bioluminescence  
Shoot for the moon imma skate it if it's crescent  
They use to clown me in the field but I made it out  
I shop at acne studios my pockets breaking out  
He out the 40 in his name like he work with drake  
I grew up clutching i don't give a fuck about the hate  
They tried to smoke me at the shell why they gaslighting  
Tittied Glock moon the oops I be flashlighting  
They call me like they checking on me then they ask a favor  
I pick up dog shit every day I'm a good neighbor  
The most I had a bus pass now I got skrilla on me  
I keep dat Mula by my side I feel like ZillaKami

March one step  
March two step  
Run into the fire till it ain't nobody left  
March one step  
March two step  
Run into the fire till it ain't nobody left

Heed the summer  
Bucky Bucka The Son of Sam  
HK blam duckin dodgin behind his fam  
Bullet season hit the corner then spray your tan  
I'm Captain Hook yall green niggas some Peter Pans  
Have yall niggas tuck your motherfucking tail uh  
I see that you are only tough inside your tales uh  
I need my Glock rain sleet hail  
Try to go against the squad he [?]

March one step  
March two step  
Run into the fire till it ain't nobody left  
March one step  
March two step  
Run into the fire till it ain't nobody left

March one step  
March two step  
Run into the fire till it ain't nobody left  
March one step  
March two step  
Run into the fire till it ain't nobody left
