

## Special K

BLP KOSHER

That nigga Nate crazy, okay, bet  
Dreidel man, I had to... water  
(Exquisite)  
Waterr, ayy

Fuck a opp, that boy a bimbo, gettin' low, they playin' limbo  
Tried to slice me, I went Kimbo, opp hoes get turned to widows  
He was stretchin' shit Fashitsho, now he ridin' in a limo  
I'm the fiddler on the roof, I'm sendin' fifty out the window  
I used to work at Five Below but now I keep that fye below  
Them hearts cold, will they melt, Robert Frost, or does it expl  
ode  
Them boys suck, to each his own, they tried to slide, epic pone  
So if it's smoke then let me know, they dropped a post to postp  
one (Exquisite)

Make 'em run, Tom Hanks, every opp gon' walk the plank  
In Coral Springs, masked up, I'm lookin' like I rob banks  
(Dreidel man, water)  
And I'm forever smokin' Nazis, I'ma pass the blunt to Anne Fran  
k  
The same ones who switch the ones who say, "Watch who's around  
you"  
So open up, I'm makin' it out the sewers since that's what clow  
ns do  
I put a hole in the wall and I got bars too  
.38 special, that Special K got lots of carbs too (Exquisite)  
Said she like my drip, I told her, "Water has a surface"  
Blossom like a flower, I was servin' multi-purpose  
Playin' Frogger, I was careless then I peeped, I had a purpose  
Kyle Rogger, I was sharin' all my songs to AEPI  
And I be rappin', A-E-I, but I don't owe you shit  
'Cause where were y'all was at when I was on my dick?  
When you're the wolf in sheep skin, you might have to walk in s  
heep shit  
Ain't no strawberry fields until you're rich  
He duckin', taco Tuesday, got the club goin' up  
ILoveMakonnen like I'm Drake, bitch, let's get lit  
And she likes suckin' toes, especially if they've been out here  
steppin'  
But I ain't really into all that shit, Waddllllttt, ayy

Fuck a opp, that boy a bimbo, gettin' low, they playin' limbo  
Tried to slice me, I went Kimbo, opp hoes get turned to widows  
He was stretchin' shit Fashitsho, now he ridin' in a limo  
I'm the fiddler on the roof, I'm sendin' fifty out the window  
I used to work at Five Below but now I keep that fye below  
Them hearts cold, will they melt, Robert Frost, or does it expl
