Try that cracker, he gon' rock out, no Nirvana  
And you can catch my shells, no Obama  
They be capping like Ushanka  
But I love the way you lie like I'm Rihanna  
I swear all you care about is marijuana  
Trying to work but you e'en wanna  
Try that cracker, he gon' rock out, no Nirvana  
And you can catch my shells, no Obama  
They be capping like Ushanka  
But I love the way you lie like I'm Rihanna  
I swear all you care about is marijuana  
Trying to work but you e'en wanna

Choppa spank you in the ass like I'm an abusive dad  
Put you on the cover of an article, no Thrasher mag'  
In other terms, I put crackers on they ass  
Fuck the Broward Sheriff Office, R.I.P. my brother Sass  
But take it with a grain of salt, but they toss it on my name  
Guard you ton just like I do for you, don't use that shit in vain  
And now it's kosher salt, so now there's no need to take it with a grain  
Open the mind of people, hear me out, 'cause y'all know what I'm saying  
Shitting on these crackers like I popped a laxative  
If ye' ain't try to pay the fee, then we can't be collaborative  
Bad vocabulary jit, but now they love the adjectives  
I've got lots of homonyms so they gon' have to bracket this  
Rappers using music now to prove their rank, it's sounding wack  
I know I might say this a lot but I think most of y'all are ass  
All these fuckboys be getting ahead of themselves but I ain't mad  
'Cause I got bars, but this ain't no Bar Mitzvah, I'm already a lad  
Ay, I be knocking crackers down like I do construction  
Glock came with a clip, I let it eat, you'll think we at a luncheon  
Meek and I were catching charley horses on the Yeehaw Junction  
Smoking expensive gas like Joe Biden while all you crackers jumping  
Come on, you don't want no smoke like a vape pen  
He got pancaked no better yet that boy got cake-panned  
Pull up on a cracker uninvited, we don't make plans  
Jewish rapper, they thought I was soft just like a Drake fan  
Stole my first gun out the pawn shop, now I'm stepping like I'm Sasquatch  
I be cranking on them nonstops since you folded like a laptop  
Zoe got diamonds on his wristwatch, If we sliding, make a pit stop  
He said "Kosher, just relax, good will come, like the thrift shop"

Try that cracker, he gon' rock out, no Nirvana  
And you can catch my shells, no Obama  
They be capping like Ushanka  
But I love the way you lie like I'm Rihanna  
I swear all you care about is marijuana  
Trying to work but you e'en wanna

Trying to work but you e'en wanna

Fucking hoes and I don't even use a Tinder  
Sloppy seconds, she be slurping why'd you kiss her  
When you see me, call me mister  
Got to lose a couple times to be a winner  
Broward hot but just be spinning like a blizzard  
I don't trap I just deliver  
Cool with kobe [?]  
She be riding on my dick just like a boat  
I lost my dog and I lost hope  
Tell them boys to pull up on me, I'm a host  
Hospitality, I'll welcome you fasho', cracker  
Big Glock, smoke you like some dope  
Spreading cheese on everybody like they toast, BLP, I do the most  
(Big Glock, smoke you like some dope, spreading cheese on everybody like the  
y toast, BLP, I do the most)

Try that cracker, he gon' rock out, no Nirvana
