

# Boy Crazy

Blu Cantrell

Hey sugar, I don't really want to know your name  
I just want to play sexy games  
Lovin' you, touchin' you, huggin' you, squeezin' you tight.  
All night.  
Yaaaah...

Hey hey hey hey...

Let's fall in love  
Just for one night  
Lust and sweat  
Passion's slow ride

I love boys  
I'm boy crazy  
I love boys  
Come play with me

Come over daddy,  
Tell me what's your game  
I love your swagger  
I love the way you sway, hey  
I know that you want to undress my body  
By the way that you looked in my eyes,  
Baby

Uh-huh  
Let's ride [echo]

Yaaaah...

Let's fall in love,  
Just for one night  
Let's fall in love  
Passion's slow ride

I love boys  
I'm boy crazy  
I love boys  
Come play with me  
I love boys

Come to my mansion  
We'll play hide & seek  
Runnin', I'll find you  
You're drivin' me wild, baby

Yaaaah...  
Check it out.

You're a man, not a child.  
Baby, you drive me soakin' wild  
I'm a lady, I like your style (style)  
Come on baby.  
Come & play with me.
