

Bluetooth

Blu DeTiger

I told you once, I told you twice
You could ruin my life
You could ruin my life, yeah

You caught my eye and blew my mind
Twist it, tie-dye
I can't think right, yeah

'Cause always, I'm losing myself
Caught in your ways
(It's alright, it's okay)
These days, I'd rather be riding your wave
Again and again, so

Take a day, we can go for a ride if you want to
You could take me away on the roof of your Subaru
Low-key turn it up, night club, on the bluetooth
Yeah, I want you
I want you

Take a day, we can go for a ride if you want to
You could take me away on the roof of your Subaru
Low-key turn it up, night club, on the bluetooth
Yeah, I want you
I want you

I can't relax when you're like that
I think I might snap
I think I might snap, yeah
(I think I might snap)

Just like a magnet pulling me back
I'm so off track
Why'd you do me like that
(Why'd you do me like that)

'Cause always, I'm losing myself
Caught in your ways
(It's alright, it's okay)
These days, I'd rather be riding your wave
Again and again, so

Take a day, we can go for a ride if you want to
You could take me away on the roof of your Subaru
Low-key turn it up, night club, on the bluetooth
Yeah, I want you
I want you

Just tryna keep my cool
We're going 92
Feel like runaways
I know we shouldn't stay
(Stay, stay)

Take a day, we can go for a ride if you want to
You could take me away on the roof of your Subaru
Low-key turn it up, night club, on the bluetooth

Yeah, I want you
I want you

Take a day, we can go for a ride if you want to
(If you want to, if you want to)
You could take me away on the roof of your Subaru
(You could take me away)
Low-key turn it up, night club, on the bluetooth
Yeah, I want you (I want you)
I want you
