

Dangerous Game

Blu DeTiger

People say love's a serious drug
But I think it's fun
I think it's fine
People say love's a dangerous game
But I wanna play
So will you be mine?
Aw

Can I get a yes (yes!)
Can I get a no (no!)
You and all your friends
Putting on a show
Call me Yoko Ono
I'll break up the band
When I put a little something
In the palm of your hand
You'll be like

Let's go out dancing
Let's forget tonight
You're so unstable
Yeah, so am I
Let's blow our money
(Ooh-ooh)
Let's go all night
You're so unstable
Yet so alive

People say love's a serious drug
But I think it's fun
I think it's fine
People say love's a dangerous game
But I wanna play
So will you be mine?
Aw

Can I get high (yes!)
Can I get low (no!)
You know what I like
You know what I don't
People say we're loco
They don't understand
But they keep on coming back for it again and again
Huh huh

Let's go out dancing
Let's forget tonight
You're so unstable
Yeah, so am I
Let's blow our money
(Ooh-ooh)
Let's go all night
You're so unstable
Yet so alive
Let's go out dancing
Let's lose our minds
You're so unstable

Yet, so alive

Let's go out dancing
Let's forget tonight
You're so unstable
Yeah, so am I

People say love's a serious drug
But I think it's fun
I think it's fine
People say love's a dangerous game
But I wanna play
So will you be mine?
