

Figure It Out

Blu DeTiger

Don't know what you're saying
You're flying higher than a plane
And I'm not complaining
It's getting too loud we'll figure it out

I'm out of my brain
Your t shirt is ripped and it's all the same
You don't know my name
It's getting too loud we'll figure it out-

All mine
You say you wanna be
My all time

You say you wanna be
Whose that guy

You say you wanna be but
You already had it
And I'm not about it now

Ooohs

Don't know why you're playing
There's so much more to the fame
But I'm never changing
It's getting too loud we'll figure it out

You're losing your own game
While I'm switching lanes the Danika way
I started my day up
I can't really wait up

Ooohs

Figure it out
Just figure it out
We'll figure it out
Just figure it out
Just figure it out
We'll figure it out
Just figure it out
Figure it out
We'll figure it out
Figure it out
Figure it out
We'll figure it out

All mine
You say you wanna be
My all time

You say you wanna be
Whose that guy

You say you wanna be but
You already had it

And I'm not about it now

Ooohs

Figure it out
Just figure it out
We'll figure it out
Just figure it out
Just figure it out
We'll figure it out
Just figure it out
Figure it out
We'll figure it out
Figure it out
Figure it out
We'll figure it out
