

Tangerine

Blu DeTiger

The crown look good on me, don't it?
Don't it?
Don't it?
Bass got gasoline on it
On it
On it
Fresh like tangerine
(Tangerine)
Ha, homie
Crown look good on me, don't it?
Don't it?
Don't it?

Show me love deeper than your bedroom
I wanna write my name on your wall
Roses at my feet, if I let you
This could be your new favorite song

(Tangerine)

The crown look good on me, don't it?
Don't it?
Don't it?
Bass got gasoline on it
On it
On it
Fresh like tangerine
(Tangerine)
Ha, homie
Crown look good on me, don't it?
Don't it?
Don't it?

The crown look good on me
Bass got gasoline
Fresh like tangerine (Tangerine)
(Fresh like)
The crown look good on me

Show me love deeper than your bedroom
I wanna write my name on your wall
Wear your clothes and steal all your perfume
Kiss me to your new favorite song

(Tangerine)

The crown look good on me, don't it?
Don't it?
Don't it?
Bass got gasoline on it
On it
On it
Fresh like tangerine
(Tangerine)
Ha, homie
The crown look good on me, don't it?
Don't it?
