

# Everything's Ok

Blu

(Bridge)

Boys scouts, sassy bars, tours and the worst stars  
Can't forget the war hall but I want it all

(2x)

Anything you want from me  
I will do  
Yea, anything you want in life  
I will find you

(Verse)

Aye, he said he want the mansion and a yacht and that prince drop top  
Wanna be a Vince Hammer, get that Botcharon watch  
I'm tryna pop bottle tops in New York top scluffin with the top dropped, bum  
s I'm not hot  
Something tell my woman friendly jumpin like it's hopscotch  
Wanna get bloodies, I'm getting blunted non-stop  
Bro I want that top spot, or a comfy loft, just as how I want  
Money gloss, print money, clip initials, I slut

(Verse)

Noise city went to downtown, lofts and them parties on the boat  
Want that '87 Caddy with them gold hundred spokes on  
All my hundred notes with the small face, Benny Frank  
Send a private tester just to tell me how that ain't it touch  
One on each arm when I'm steppin in the place  
And every time I travel by air I want an empty plane  
Yea, empty plane every time I travel  
When she had the nerve to tell me don't trip it's all handled like

(Chorus)

Everything is OK  
Everything's OK  
Everything is OK  
Everything's OK

Love is (I really wanna know)

Anything you want from me

(Verse)

So rest already leg, you're playin car but slot show  
Mine was on another planet, aks me what they cost  
Speakin what a f\*\*kin waste if I kept it just a flusher  
Country's loud warrior, money ain't real yo  
Life is like this pretty, wonder how that make you real yo  
Albums like the shitty, wonder how to make a millman man  
That car is kinda spiffy, let me sit behind the wheel  
I'm tryna feel it like
