

Grim Reaper

bludnymph

A super freaky bitch
In a super freaky sitch
A poison studded kiss
That's the shit I like uh huh
A cemetery prince
A wicked princess witch
Could never bury this
'Cause that's the shit I like uh huh

Got spiders up and down my spine
Got bloody teardrops in my eyes
We're locked into the afterlife
Oh I, oh I

I'm on death's door
I'm holding hands with the corpse of who I love and adore
Yeah, he's my lover's keeper
Roses and thorns
He's got his hand on my throat
Oh how I love and adore
The Grim Reaper
Grim Reaper
Oh how I love and adore
The Grim Reaper

His name is on my neck
It's cut and sewed and etched
I'm sick in love, possessed
That's the shit I like uh huh
I told Jesus that I don't need him
Crossed my heart with the blood of a demon
We met screamin', crawlin on the ceiling
We trade hearts now that's what we're eating

I'm on death's door
I'm holding hands with the corpse of who I love and adore
Yeah, he's my lover's keeper
Roses and thorns
He's got his hand on my throat
Oh how I love and adore
The Grim Reaper
Grim Reaper
Oh how I love and adore
The Grim Reaper

Got spiders up and down my spine
Got bloody teardrops in my eyes
We're locked into the afterlife
Oh I, oh I

I'm on death's door
I'm holding hands with the corpse of who I love and adore
Yeah, he's my lover's keeper
Roses and thorns
He's got his hand on my throat
Oh how I love and adore
The Grim Reaper

Grim Reaper
Oh how I love and adore
The Grim Reaper
