

# Lickity Splickity

bludnymph

Lickity splickity  
She give me hickity  
I am so trickity  
You got me now you can't get rid of me (Sorry)  
Lickity splickity  
She give me hickity  
I am so trickity  
You got me now you can't get rid of me  
Now riddle me this  
I woke up in bed with your bitch  
I give that lil bitch a lil kiss  
Then I told her that I gotta dip  
Now she's on Trist

I keep that lil hoe on a leash  
I take that lil hoe to the beach  
I get that hoe soaked like the sea  
She all on me

Yeah, baby  
Drive me crazy  
I won't be your but you can be my lady  
Yeah, baby  
You might think I'm shady  
But I told the truth  
It's not my fault you can't take me

She all on me, on me  
She all on me, oh, on me  
She all on me, on me  
She all on me, oh, on me  
She all on-
