

Popsicle

bludnymph

Got a sugar addiction, I make bad decisions
I wish I would listen but I just wanna stay
Now my hunger has risen, I can't help but give in
I pray I'm forgiven, I cannot get away

Yeah, I got a sweet tooth
I want another taste of you
Yeah, I gotta stay cool
Nobody does it like you do

Need to cool down, keep sucking on the popsicle (Ah)
If you melt me down, just remember that it's washable (Ooh)
Trickle down my wrist, take a lick, it's phenomenal
Drop it on the floor, you're too fucking irresponsible

I bite my ice cream with teeth
Tryna find what's underneath
I let you take the lead, you've forgotten how to feed
I can't delete all those bad memories

Yeah, I got a sweet tooth (Sweet tooth)
I want another taste of you (Of you)
Yeah, I gotta stay cool (Stay cool)
Nobody does it like you do (You-ooh)

Need to cool down, keep sucking on the popsicle (Ah)
If you melt me down, just remember that it's washable (Ooh)
Trickle down my wrist, take a lick, it's phenomenal (Ah)
Drop it on the floor, you're too fucking irresponsible

Ooh-ah, popsicle, sucking on your popsicle
Ooh-ah, popsicle, sucking on your popsicle (Your popsicle)
Ooh-ah, popsicle, sucking on your popsicle (Ooh, na-na, na)
Ooh-ah, popsicle, sucking on your popsi-
