

Press It

bludnymph

I got no limit, no limit
I got no limit, no limit
My life can't tame me, can't tame me
I got no limit, no limit

Press it, press it, press it, press it
Press it, press it, press it, press it

I got no limit, no limit
I got no limit, no limit
My life can't tame me, can't tame me
I got no limit, no limit

Press it, press it, press it, press it
Press it, press it, press it, press it

Press it, press it, press it, press it
Press it, press it, press it, press it
