

## Watch Me

bludnymph

Hundreds throw 'em up, seein' green, watch 'em rain down  
Body goin' up, goin' down, hit the spin 'round  
Ayo, ayo, ayo  
I'll make you want me  
Ayo, ayo, ayo  
Baby watch me

Look inside my mood ring eyes  
You might die  
If you hear my siren calling  
Pink moonlight  
Body tight  
Side to side  
Where I'm moving got you crawling

Bend it back, oh I'm freaky  
Yeah I make it look easy  
Love the way that you need me  
I got I got everything  
High on me and you wasted  
Mini waist, pretty face, ugh  
Drain the fuck out the ATM  
Yuh, yuh

Hundreds throw 'em up, seein' green, watch 'em rain down  
Body goin' up, goin' down, hit the spin 'round  
Ayo, ayo, ayo  
I'll make you want me  
Ayo, ayo, ayo  
Baby watch me  
Sexy silhouette snakin' 'round in the red lights  
God I make you sick, so obsessed for a good time  
Ayo, ayo, ayo  
I'll make you want me  
Ayo, ayo, ayo  
Baby watch me

5's, 10's, 100's, 1's  
Girls want cash, girls wanna have funds  
Getting drunk off your attention  
Stacks so long it make a girl run  
That's that shit that I love  
Throw it so fast you got a papercut  
Bought out the club, now it's just us  
Sip straight from the bottle like uh, uh, uh

Bend it back, oh I'm freaky  
Yeah I make it look easy  
Love the way that you need me  
I got I got everything  
High on me and you wasted  
Mini waist, pretty face, ugh  
Drain the fuck out the ATM  
Yuh, yuh

Hundreds throw 'em up, seein' green, watch 'em rain down  
Body goin' up, goin' down, hit the spin 'round

Ayo, ayo, ayo  
I'll make you want me  
Ayo, ayo, ayo
