

# Double Soul

Blue Café

This is a sign  
When I see you boy  
I get so wild  
This is the sign  
When I'm with You boy I Feel alive

Let's play the game of love,  
cause when I kiss ya I never miss my shot,  
Let's win the game of Love, so let me kiss ya before the time up...

Aaaaa  
Double Soul  
That is so true  
Aaaaa  
Awake, awake  
Aaaaa  
Double Soul I belong to You  
Aaaaa Talk to me, Talk to me, Talk to me now!

This is the sign  
When You hold me boy  
I get so high  
This is the time  
Wanna tell You boy what's on my mind
